Mission Statement

The Elevated Program seeks to empower Black youth and their families by providing mentorships, equitable opportunities, and collegiate access to succeed in higher education and beyond.

Program Overview

Aligning with Sachs Foundation values, the Elevated mentor program provides intentional mentorships to students who identify as Black in Colorado. Through cohort mentorships and targeted programming for 8th to 12th grades, Elevated provides students with the tools and knowledge necessary to research, navigate and thrive in higher education. ***Mentors support their students over the course of several years. The robust relationships formed between the students and mentors allows for youth to receive the support and guidance that are critical to their growth in education.*** Programming seeks to empower youth to explore post-secondary options through community-based volunteering, team-building activities, and college visits. Families are supported through a holistic approach with financial assistance, resources, and case management as needed.

What You Can Expect for Your Student (s)

€ **Mentorships**

- Skilled paired mentors provide guidance to a ***group of 16 students***
- Students communicate with their mentor at least 4 times a month in group sessions or one on one
- Mentors plan and execute educational and college planning workshops along with social activities that enhance mentor/mentee communication and trust

€ **Equitable Opportunities**

- Providing free tutoring, resume building, and essay writing workshops
- Students and families are instructed on and given resources on how to apply, finance, and define their college path
- Paid internships and volunteer opportunities are available to students

€ **Collegiate Access**

- A dedicated College and Career Readiness Director will assist all students in searching, navigating, and preparing students for higher education and/or other options
- Information on financial aid, scholarships, and college programs for students and families

- Overnight and day visits of colleges in Colorado and surrounding states, free of cost to families. All meals, hotels rooms, and transportation are provided by the Elevated program.
- Students receive a one-time educational grant at completion of the program

Student Eligibility

- Identify as Black and reside in the Pike’s Peak Region or Denver Metro area.
- Desire to attend accredited post-secondary options, college, technical or trade school.
- Student must have a 2.50 weighted/cumulative GPA or higher to apply
 - *Please see Academics Section for further details.*
- Desire to actively engage in programming and activities
- Families with an expected family contribution below \$3,000 annually for college expenses or have annual household income of \$33,000 or less will have priority in program eligibility
 - Returning Elevated families have priority
- Completed family application and signed family agreement to participate in activities
- Overall, above average academic or effort, interest, or participation in extracurricular or community service activities

Commitment from Families

- Be an active participant in your student’s academic career
- Regular and consistent communication with Elevated Mentors
- Ensure your student meets all attendance requirements for outings, college visits, and activities
- Provide transportation to your student as needed, for activities, internships, and events

Commitment from Mentors

- Be an active participant in your student’s academic career and a trusted adult
- Regular and consistent communication with Elevated families
- Plan and execute a schedule that is focused on the Elevated mission statement

Program Policies

Participation

All Elevated students are expected to actively participate in mandatory group events. Students are expected to limit use of personal technology (cell phones, tablets, and other devices) during Elevated events. Parents will be notified if active participation is not occurring.

If a student declines to participate and/or misses 2 or more events without notice to mentors, the following will occur.

- Mentors will make reasonable efforts to contact the Elevated family, such as but not limited to, phone calls, emails, text messages, Band App communication and a home visit.
- Following 3 attempts to contact the student or family, a certified letter will be sent to the family address on file. After receipt of the letter, a family has 2 weeks to contact Elevated mentors staff.

If no contact is made within 2 weeks of certified letter receipt, the student forfeits any educational grant at high school graduation, financial support and any other gifts/perks afforded to Elevated families. Student will be removed from the Elevated Program.

Attendance

Mentors plan and coordinate events for all students that are fun, educational and meaningful. Elevated students are encouraged to maintain a 100% attendance to events or outings.

It is the responsibility of Elevated students and families to communicate schedules for sports, out-of-school time commitments, transportations concerns and work schedules. Students are expected to provide proof of communication and attempts made to ensure they can attend events. I.E. note from coach that practice is mandatory or from job supervisors that shift cannot be changed.

Unexcused Absences: *Missing more than 2 events or outings, during 1 academic school year, without communication will result in the potential loss of an education grant the student and removal from the program.*

Excused Absences: *Missing more than 4 events or outings, during 1 academic school year, will result in the potential loss of an education grant for the student and removal from the program.*

Late Notice: *Cancelling within 24 hours of an event will result in an unexcused absence.*

Additional attendance policy, specific to 11th and 12th graders only,

- ∉ 12th graders will meet with the director of college counseling at least twice a year (once each semester)
- ∉ 11th and 12th graders will attend the “required” college counseling events or will complete the make-up if they’re unable to attend the live event. Required events will not exceed 3 events in an academic year.
- ∉ 12th graders have the option to decline any Spring overnight college trips.

Cohort Placement

Students are placed in cohorts according to location, school district and mentor relationship.

In the event an Elevated student or family would like to switch their assigned cohort, they must remain in their assigned cohort until the end of an academic year.

Pending approval by Chief Operations Officer and available accommodations in a new cohort, a student is eligible to switch cohorts if they are in good standing. Please note: 12th graders cannot switch cohorts.

*Good standing is having at least 80% attendance rate, maintaining regular communication with Elevated mentors, student has less than 3 written warnings in any given academic year and 3.0 GPA.

Behavior Expectations

Elevated students are held to the highest standards and serve as ambassadors within the Pike's Peak Region community and beyond. Students will demonstrate respect *to others, being mindful of their actions, and being positive and open to new ideas or perspectives*. No offensive language, or clothing while in attendance to Elevated events. Students must remain in good standing with the Elevated program to attend college visits and receive scholarship funds.

Good standing is having at least 80% attendance rate, maintaining regular communication with Elevated mentors, student has less than 3 written warnings in any given academic year and 3.0 GPA.

Elevated students who receive more than 3 written warnings from a mentor in any given school year will be removed from the Elevated Program. Written warnings will supply a brief description of the incident and parent communication log. The Elevated program will work with students and families to ensure the safety of all students. Students and families will be given proper communication and support so students can succeed.

Students will automatically *be removed from the program*, for the following reasons, but not limited to,

1. Physical violence or actions that results in bodily harm to others or property destruction
2. Repeated and consistent verbal assaults to others that target race, sexual orientation, religion, familial status, ethnicity, social-economic status
3. Use of drugs or alcohol at an Elevated sponsored event
4. Engaging in a sexual act at an Elevated sponsored event

Behavior Expectations for Overnight College Visits

Van Transportation: Elevated students will remain seated and wear a seatbelt appropriately while the vehicle is in motion. Students will not engage in any behavior or actions that may hinder or distract the ability of the driver.

Participation: Elevated students will give their undivided attention to all guests, tour guides and college representatives during college visits. Participation expectation is that all devices are not in use when actively interacting with a college or university team member.

Room Assignments: Elevated students will be assigned to a hotel or dorm room during overnight college visits with a roommate by their mentors. *Under no circumstances shall any student switch room without the explicit consent from mentors or visit other rooms after-hours without an adult present.*

***Any student who is found to be in direct violation of the above expectations, will result in having their parent or guardian contacted for immediate pick up of their student (s) at the family's expense. Written warning will be given upon return of trip.**

Academic Expectations

The goal of Elevated is to support a student's journey in higher education and the ability to apply to colleges and universities. Therefore, a GPA of 3.0 or higher is the goal for all Elevated students.

Term GPAs are self-reported for tracking purposes, students are responsible for submitting their weighted Term GPA and grades in a timely and reasonable manner to their mentors.

Students will be encouraged to apply with a weighted and cumulative GPA of 2.5 with the understanding between student, family and mentors within an appropriate amount of time, the student has made significant gains and shown a clear commitment and effort to improving their GPA. Students will be given resources for tutoring, and an outlined individualized plan to address academic success.

It is the responsibility of the Elevated family and student to communicate their progress, demonstrate an attempt/effort to improve their GPA and the utilization of the supports provided.

No student shall be dismissed from the program for falling below a GPA of 2.50. A student may be removed from the program due to lack participation or engagement.

Termination Policy

Students may be terminated from the program at any time. Termination is at the discretion of Sachs Foundation, Elevated employees. Termination from the program is the last resort, mentors will do their best to support students and families. Continuous and persistent lack of participation and communication are terms for termination. Please see above expectations and procedures for being removed from the program.

When an Elevated student exits the program, either by their own will or by termination, an exit letter will be provided to the family.

Students and families who move out of state before high school graduation is no longer eligible for an educational grant. All educational grants are forfeited in the event a student and family exit or are terminated from the program before high school graduation.

A student may be eligible to return to the Elevated program if eligibility requirements are met and space is available. If a student exits the of the program and returns later, students' time in the program will begin at the start of the most recent program start date.

Emergency Procedures

Personal Emergencies: All Elevated mentors will provide emergency medical care as necessary and possible for students. In most circumstances, Elevated mentors will contact the parents/guardians. In the

event of emergencies that require immediate attention, mentors will contact the appropriate emergency personnel followed by parents/guardians.

If families do not denote the location or contact of preferred emergency services/medical care, Elevated mentors will make their best attempt to find the closest and most reasonable service provider.

Community Emergencies: Mentors and/or Chief Operations Officer will contact parents as soon as possible to update families on the status of their student. Mentors will provide a location for pick-up, that is relevant and suitable to the needs of the group.

Medication Administration

Mentors *will not be* responsible for supplying medication reminders, carrying medication, or storing emergency medication for students. Mentors will administer emergency medication if the student is indisposed and not able to.

Transportation

Elevated mentors are not expected to transport students to and from events, that is the responsibility of the family. If emergencies or unforeseen events occur, Elevated mentors and Chief Operations Officer will work with the family to find resources or options.

Elevated staff may transport students in the event of an emergency or with the consent of the family as needed. Students can ride with fellow cohort families if mentors were informed of specific pick-up persons. Students cannot be released to anyone unless explicit consent was given to mentors prior.

Mentors are not to be relied on to provide transportation to and from events. Mentors are not required to provide personal insurance coverage; any transportation is at the sole discretion of the mentor.

Photo/Social Media Release

Occasionally, parents/guardians and student(s) photos and/or information related to experiences in the Elevated Program may be used in electronic publications, promotional material, community presentations and social media. Please inform mentors if there is a concern with social media and publications. Consent is also denoted on the Elevated Application.

Mandated Reporting

All Sachs Foundation full-time or part-time, and interns are mandated reporters. Sachs Foundation employees or contracted positions are required by law to make a report if abuse is suspected or reported. If appropriate the report will be shared with the parent or guardian of the student. Mentors are not obligated to inform the student's guardian or parent if they deem fit or fear for the safety of the student.

Except as otherwise provided by section 19-3-307 , section 25-1-122(4)(d), C.R.S , and paragraph (b) of this subsection (1), any person specified in subsection (2) of this section who has reasonable cause to know or suspect that a child has been subjected to abuse or neglect or who has observed the *child being subjected to circumstances or conditions that would reasonably result in abuse or neglect shall immediately upon receiving such information report or cause a report to be made of such fact to the county department, the local law enforcement agency, or through the child abuse reporting hotline system as set forth in section 26-5-111, C.R.S .*

Grievances

If an Elevated student or family member of a participant feel as though they have been mistreated, misled, prohibited from receiving the programming and/or experiences expected as outlined in this program

manual, please feel free to contact the Chief Operations Officer. If your complaint involves the Chief Operations Officer, please contact the President of the Sachs Foundation. All contact information is listed at the end of this manual.

Communications

Elevated program manual and application for families are available online only at sachsfoundation.org, under the Elevated Tab.
